

Wizard of Oz Audition Monologue

Saturday 13th October

Please learn the monologue below off by heart for the audition. Think about how you can use your facial expression, body language and the space to communicate your character. You will only audition in front of the three directors - not in front of everyone else. Everyone will be given a one hour time slot for their audition. Please email us if you do not have your audition time yet: hannah@kaleidoscopedrama.uk

We will be looking for lots of energy, oodles of confidence, tons of enthusiasm and a spark of originality (so please don't just copy the film!)

Dorothy

5 minutes ago Dorothy was at home playing her new computer game Oz. Now she finds herself actually inside the computer game. For the audition, you can imagine lots of Munchkins and the Good Witch are all around you.

Dorothy Hello little fella! Who are you?

She sits up and looks at the name tag on his collar.

Dorothy Toto? Ha! That's weird!

She looks around and is very surprised to see Munchkinland.

Dorothy What is this place?

She wanders around looking at the flowers and plants. While she does this the Good Witch enters with the Munchkins following her and tell her she has killed the Wicked Witch.

Dorothy WHAT!!!??? No way? How did that happen? I'm soooo sorry about this! I'll just... I'll errr. OMG What shall we do?

They ask her who she is.

Dorothy I'm Dorothy. From Brighton...It's not actually a country. It's a city, in the south of England. Near the sea....We don't have too much magic in Brighton....Mostly seagulls....So which way do I go to get back to Brighton?

They have no idea. Dorothy looks as if she will cry. All the Munchkins start to cry. They all take out large spotted handkerchiefs and sob into them. Some blow their noses loudly.

Dorothy Look, I don't wanna seem ungrateful or nothing, but I really need to get home.

Now which way was it again? (She looks on her phone, but it's not working). Hmmn Battery must be dead.
